STABILITY CERTIFICATE

This is to certify that I am registered Structural Designer with Surat Municipal Corporation having Registration no. TDO/ST.DR./36.

The School building known as "Gajera School" is situated at Block No. 77, S.P. No. 1, Utran, Surat is designed by me as per the provision of I.S. 456. Part of building is designed for Basement + Ground floor + Three floor & other part is designed for Basement + Ground + Four floors only. Basement is intended for parking and all other floors are intended for educational activity purpose only.

I have inspected the structure on 13-04-2019 and it does not exhibit any sign of distress. The structure seems to be safe for the intended use as Educational purpose. Change/Alteration of any kind i.e. changes of use, altering wall position or any alteration involving structure configuration shall not be done without our prior permission.

This stability certificate is valid for five years of the present condition of structure. The structure should be inspected by competent engineer at every five years and maintained as per the competent engineer's instruction & get revised certificate.

This is for your kind knowledge only.
