At Gajera International School, we believe education goes beyond classrooms. As we conclude another successful academic year 2025-26, I am proud to present a glimpse of our journey, growth and achievements.

Our Vision

At Gajera International School, our vision is to think analytically, ask curiously, and rise dynamically to grow as responsible citizens. We strive to empower our learners to become lifelong achievers, fostering holistic development through dynamic and innovative educational approach. Our aim is to inspire learners to reach their maximum potential and achieve success.

Our Mission

We emphasize on bringing enhancements in three integral parts of the society : Catalyze skill development through holistic education, enable healthcare facilities for a healthy nation, undertake transformational initiatives to serve the community.

Academic Highlights 2025-26

Our students have once again made us proud in the CBSE Board Examinations. We heartily congratulate the batch of 2025-26 for their sincere efforts. This year we achieved 91% in Grade 10, 91% in Grade 12 Science Stream and a perfect 100% in Grade 12 Commerce Stream. We wish all our graduates a bright and successful future.

Our Team

Our greatest strength is our team of dedicated educators and support staff. From pre-primary to senior secondary, our teachers bring passion, innovation and care into every classroom, ensuring smooth functioning and continuous growth of the institution.

SCHOOL MANAGING COMMITTEE (SMC)

Meetings of the SMC members are held on a regular basis. The members are closely involved in most of the academic and co-curricular activities of the school. We thank them for their continuous support and cooperation throughout the year.

Academic Enrichment

Learning at Gajera extends beyond textbooks. Throughout the year, students participated in elocution, debates, essay and story writing, quizzes, handwriting and slogan writing competitions at class, school and inter-house levels. Our students also excelled in National Olympiads in Science, Mathematics, English and General Knowledge. Art-Integrated

Learning, as per CBSE guidelines, was implemented across all subjects to make learning more creative and engaging. Our well-stocked library continues to cultivate a love for reading. Regular value-education sessions focused on honesty, kindness, gratitude and empathy are an integral part of our curriculum.

Professional Development

We believe a teacher must never stop learning. Regular workshops, seminars and orientation programs were organized for both staff and students. Career counselling sessions by eminent experts and our own alumni helped our senior students make informed career choices.

Beyond Academics

Co-curricular activities like poster making, card making, best-out-of-waste and chart making were organized to encourage creativity and applied learning.

Digital Learning

Gajera International School is a fully digital-enabled campus. All classrooms are equipped with interactive Android panels to support blended and experiential learning.

Sports and Wellness

Physical fitness is given equal importance. Daily yoga and physical training sessions are part of our routine. Our students participated and won laurels in inter-school competitions in Basketball, Volleyball, Kho-Kho, Chess and Athletics, showcasing excellent team spirit and sportsmanship.

Celebrations and Events

The year was marked with vibrant celebrations that fostered patriotism and cultural awareness. Independence Day, Republic Day and Kargil Vijay Diwas were observed with great reverence. The Investiture Ceremony was held with great dignity, where the newly elected student council took an oath to lead with responsibility. We also celebrated Hindi Diwas, Children's Day, International Yoga Day, World Environment Day, National Science Day and our Annual Science Exhibition with great enthusiasm. We thank our Management, SMC members, parents, staff and students for their unwavering support in making 2025-26 a memorable and successful year.
